

AARP Foundation Selects L.A.'s Kat Sawyer as Its 2008 Calendar Cover Artist

A painting by Los Angeles artist and AARP member Kat Sawyer graces the front cover of the 2008 AARP Foundation calendar, "America: From Sea to Shining Sea." Sawyer's painting, *Cloud Dance*, is one of 14 original illustrations selected from 800 submissions from AARP members across the country. Sawyer works exclusively in oil. Her pieces, which she calls "LandEscapes," invite the viewer to experience the tranquility and harmony of nature.

To view Sawyer's piece and other winning calendar submissions, or to purchase a calendar or print, please visit the calendar gallery at www.aarp.org/foundation/calendar. All proceeds will go to the AARP Foundation to support its philanthropic work in communities nationwide.
